*Custom Medical Solutions for the Harshest Environments on Earth*

## Capabilities Statement

Chinook Medical Gear, Inc. has been exceeding the expectations of customers in the military, government, law enforcement, fire and rescue and corporate community for over 20 years. Chinook offers the latest technology and competitive prices in medical supplies; specializing in custom medical solutions for the harshest environments on Earth!

***“The people at Chinook are awesome! Unlike some of the other companies that don’t offer nearly as much personal attention or customer service, they genuinely care about my product needs and time constraints; and consistently provide very quick turnaround on quotes.”***

***- Border Patrol Agent with the Search and Rescue Trauma Team in Yuma, AZ***

Chinook stands apart as we offer government agents the 100% Solution to their procurement needs. Chinook provides competitive pricing and fast turnaround on over 4,000 products including a wide variety of off-the-shelf medical kits and modules. Chinook can also custom build any kit or module to your specifications.

- Send us your list! We can quote nearly any medical related item
- We can build a complete custom kit or module from the ground up
- Quick turn-around on quotes within 48 hours
- Genuine customer service, competitive pricing and practical lead times
- Knowledgeable sales team of military, government, law enforcement and private contractor needs.
