

About *Chinook Medical Gear*

Chinook is a veteran and minority-owned small business based in Durango, Colorado that provides custom medical kits and supplies for the harshest environments. Chinook's staff consists of industry experts and former military operators who design cutting-edge medical gear to save lives and aid the injured.

Established in 1990, Chinook has provided specialized medical gear to both American and European space programs, the DoD and Special Operations community, Homeland Security, federal, state and local law enforcement, and a host of other government agencies. Chinook's diverse line of products also includes medical kits and gear for Technical and Fire Rescue, EMS, Active Shooter response, outdoor enthusiasts, homes and vehicles. Chinook also offers a wide range of procedure-specific medical modules, such as Field Blood Transfusion Kits (FBTK's).
